From the Founder's Desk

21st Century Skills and Marginalised Migrated Children

The 21st century has brought with it a host of new challenges and opportunities. To succeed in this rapidly changing world, students need to develop a set of 21st-century skills. These skills include critical thinking, problem-solving, communication, collaboration, and creativity. In recent years, there has been a growing emphasis on building these skills in students, and this is particularly true in India where the National Education Policy 2020 (NEP2020) has made it a priority to develop students' skills to be well-equipped to navigate the challenges of the 21st century.

NEP 2020 also stresses on the importance of technology in education. With the rise of digital technologies, it is becoming increasingly important for students to be proficient in the use of technology. By incorporating technology into the classroom, we are providing students the tools they need to access, analyse, and create information in today's digital world. It's important to initiate focused holistic approach towards children's learning.

Migrated population need to overcome many challenges when it comes to relocate their families and livelihood. The challenges are bigger when such families belong to marginalised communities. Many children from such communities still stay out-of-school while taking of household chores and looking after the younger siblings or drop out from school even without completing basic education, early marriage of girl child, growing up as undernourished children are some of the prominent challenges.

In this scenario CSC's is creating an environment for the marginalised migrated children to learn and enhance skills like critical thinking, problem-solving, communication, collaboration, and creativity through various activities, collaborations and untiring commitment. Together we change @CSC.

*With regards,
Dr. Bani Bora
Founder*

Centre for Social Change: CSC-India

21st Century Skills and Marginalised Migrated Children

A brief profile

Centre for Social Change, CSC, is a charitable organization, registered under Trust Act on 5th February, 2018. It is designed as a hub for people and organizations where thoughts assimilate to create amalgamation of resources so that need based actions could be taken to make change sustainable. We, at CSC, come together and contribute towards a most needed positive social change by engaging communities creatively and effectively to co-create a better future. We uphold the principles of secularism, transparency, and accountability in all of our activities.

Our Vision

Community empowerment through peoples' participation, co-creation and values.

Our Mission

Our mission is to create neighbourhood where people collectively contribute towards relief of poverty, improved socio-economic environment and bring positive changes.

Our approach of working with the communities is influenced by first hand understanding of community needs and techniques of experiential learning obtained from the field of development and social change which generate well-being of people in a community.

Our Work

CSC believes that everyone in this world is looking for a positive change. To make the changes happen as the way we wish to see, CSC focuses on its activity based on community need. To instil the feeling of belonging to a community, to imbibe the thoughts and values of social responsibility and to focus on self-development, CSC

Board Members

Founder: Dr. Bani Bora

Dr. Mridula Seth

Advisor : Dr. Shankar
Chowdhury

thoughts and values of social responsibility and to focus on self-development, CSC intervenes in communities through following programmes:

Gaon Mera: Green and Clean Community - Environment building

To live life in a beautiful village is the dream for many of us and it always remains as a dream as we are constantly in search of livelihood, from better to best.

More than thirty percent of rural youth migrates to metro cities and nearby urban towns in search of livelihood. As they come with a purpose to earn livelihood, they come with a vision to earn money and go back to the village once they earn enough. However, they never earn enough to go back to their village and in the process they remain as a migrant in a small town or in a big city throughout their life. Gaon Mera focuses on bringing all shareholders of a community to one platform and co-create the dream of living in a clean and green environment a reality.

Ajeevan Siksha : Lifelong learning

Ignited Minds: Focuses on children, adolescents and youth in building up their self-esteem and training them to be socially responsible.

Khilta Bachpan: The programme aims at helping children to enhance their learning abilities through focused intervention and playful activities.

Health for life: A healthy body with a healthy mind, focuses on people's awareness about health care, emotional and psychological well-being, counselling and change towards positive thought process.

Your paragraph text

Trustee :
Nayana Chowdhury

Trustee:
Mohammad Naved

Trustee : Sh. V.K.Mishra

Learn and teach: To encourage adults and senior citizens to learn new skills as well as excel in the skills they have. A certification of prior learning to such skilled persons to facilitate teaching to the younger generations.

Swabalamby Hum:

Economic empowerment

Empowerment comes along with the economic independence of self. This could be achieved by enhancing one's skills and knowledge. To facilitate youth to learn skills to produce and earn livelihood, thereby, contributing towards a sustainable economic growth of the self and family, CSC supports a training cum production centre at the Community.

Action Research:

This area is mainly responsible for conducting research and providing policy feedback and inputs to policymakers. Publishing books, reports, policy briefs and promoting innovative development techniques and approaches are also part of its responsibilities.

Beneficiaries Profile

Centre for Social Change works with marginalised migrated communities living in slums of Noida. People are both interstate or intrastate migrants, mostly from Uttar Pradesh and neighbouring States, such as Bihar, Jharkhand and West Bengal. CSC conducts its activities in the centres located in Sector 76 and Barola - Sector 49 in Noida.

Migrated population faces many challenges when it comes to relocate their families and work for livelihood. The challenges are bigger when such families belong to marginalised communities. Children from these families are highly vulnerable as they would be left behind in the neighbourhood throughout the day to fend for themselves, when their parents would be out to earn their livelihood.

The factors which affects the education and behavioural aspects of marginalised children in the age group 6-14 years, are mainly :

- Higher rate of non-literacy amongst parents leading to lack of awareness about importance of education.

- Location of the habitations of marginalized communities being mostly far from government schools where free education could be received.
- Responsibility of the elder siblings to take care of the household chores and younger siblings, when parents are away working for their livelihood, prevents them from going to school at an appropriate age.
- Children's natural attraction to go for begging on the street or nearby markets in group and then getting used to it.
- Non-availability of required documents for school admission lead to deprivation of children from formal schooling, there by creating a vicious cycle of learning poverty amongst the marginalized children.

I. Gao Mera : Community Environment Building : Awareness generation Yoga Day Celebration

On 21st June 2023, CSC celebrated 9th International Yoga Day at the center, after a week-long workshop on yoga. Yoga brings together physical and mental disciplines to achieve a peaceful body and mind, it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Students performed yoga learnt during the workshop and encouraged the younger ones to join them.

Human Rights Day Celebration

On 10th December, 2023 CSC celebrated 75th anniversary of International Human Rights Day. Theme for this year is “Freedom, Equality and Justice for All”. In the afternoon, the day was celebrated with full vigour at the community, where hundred children and forty mothers actively participated. While majority of the mothers were not aware of one’s right, they related it with their duties to serve the family members, especially husbands. Children presented a powerful

message on “**Importance of Education in Women’s Life**” through a drama. CSC Board members and community members were present on the occasion and appreciated community participation.

In the evening, CSC organized an online webinar. Eminent speakers were SP-Chitrakoot, Vrinda Shukla, IPS, Social Change Maker - Akanksha Singh, Advocate- Nisha Rai and Founder – Dr.Bani Bora.

Dr. Bora presented a brief on understanding of Human Rights by marginalized communities, especially women. Advocate Nisha Rai shared information on prevailing laws on human rights. Smt. Akanksha Singh emphasised on creating a skill-based learning environment so that financial upliftment could be ensured for the marginalised masses. IPS Vrinda Shukla presented the real life challenges of marginalised communities, where lack of education, financial obligations lead to larger problems. Mrs. Shukla stated that reaching out to marginalized children with a holistic approach would help in ensuring equality to some extent. Dr. Mridula Seth concluded the webinar with a thought provoking statement of giving back to the society in a meaningful way, so that freedom, equality and justice could be ensured for all. Adv. Rupalim Bora smoothly moderated the webinar. There were more nearly hundred online participants who attended the webinar.

World AIDS Day

World AIDS Day 2023, under the theme, “Let communities lead”, is an opportunity to reflect on the progress made to date, to raise awareness about the challenges that remain to achieve the goals of ending AIDS by 2030 and to mobilize all stakeholders to jointly redouble efforts to ensure the success of the HIV response. This theme makes us believe that only together we can fight this deadly virus, with right knowledge and right efforts in the right direction can bring us desired goal.

On December 1st, 2023, CSC organised an awareness seminar for students, where information regarding HIV-AIDS was presented to adolescent participants through a structured **group discussion**. An environment was created to encourage students to ask questions and apprehension related to sex-education, precautions and preventive measures. rough discussion between students and teachers, we were able to remove shyness among students, spread awareness about HIV-AIDS and its prevention.

Republic Day Celebration

CSC celebrated **75th Republic Day on 26 January 2024**. Being the 75th anniversary of Republic Day, it was additionally special day. The occasion are celebration of the country’s progress, democracy and rich cultural background. This year’s celebration was more special for CSC as both Barola’s centre and Sector 76 students celebrated it together at Sector 76 centre. All Barola’s students conducted rally from Barola to Sector 76. Students were full of enthusiasm during this rally. On the way passer-by also boosted students enthusiasm for the day, in middle sector 76 students joined others and all lead to sector 76. All the students sung Patriotic songs together. This day was thoroughly enjoyed by all teachers, students and guest. Poha and Halwa was distributed among all the students.

International Women's Day

A webinar was held on the occasion of International Women's Day on the theme Literacy, Financial Inclusion and Farm Women in Assam. Insightful deliberations by the subject matter specialist from the Krishi-Vikas-Kendra's of Assam made the webinar sting and thought provoking.

World Happiness Day Celebration

On 20th March, 2024 CSC organised World Happiness day. It was the first time CSC celebrated World happiness Day. It was established by the United Nations General Assembly on 28th June 2012, proposed by Bhutan. Bhutan is the nation which has more importance to happiness over economy. Bhutan has Gross Happiness Product (GHP) instead of Gross Domestic Product(GDP). This day aims to make people realised the importance of happiness within their lives. To celebrate this occasion students headed to the Barola's community park. Many fun activities such as run with Balloon, Team activities and dance activities performed and enjoyed by all the students started with prayer " i am happy, you are happy, we all are happy". A happy person can make this world a better place. In the evening a webinar was organised by the participants of counselling course. Major Rajneesh Dhar was the key note speaker on the occasion.

World Water Day

On 22nd March, 2024 CSC celebrated World Water Day. This years theme was “Leveraging water for peace”. Under the ‘World Water Assessment Programme’ UNESCO led the development of the 2024 edition of the flagship

United Nations World Water Development Report. The day's intention is to inspire people around the world to learn more about water-related issues and to take action to make a difference. CSC make students aware about although water covers almost 70% of the planet, freshwater only amounts to about 3%

of it, out of which two-thirds is frozen or inaccessible and unavailable for use. Students were also shown informative videos about importance of right use of water and not to waste water. Students also took pledge not to waste water.

Health Camp at CSC

On 31st March, 2024 CSC organized Free health camp for all students and their parents. This health camp organized by Shree Shyam Poly Clinic. Doctor Sharpi and Doctor Anoop were available doctor in the camp who provided free consultations to all the visitor.

Around 50+ students and parents avail the facility. Whole body check up was conducted by doctors including ears, teeth, eye etc. Both the Doctors helped by their staff named Ms. Kritika Sharma and Mr. Anuj. 23 students avail the service to check their blood group by giving blood samples for the same. Refreshment was provided to all the staff as thanks giving.

Enhancing reading abilities

On 26th August 2023, CSC organised story reading day. All the participating students recited their favourite story. Total 10 students participated in the event. All students those listening, thoroughly enjoyed the stories. Some participants wrote their own stories showing their creative thinking.

Enhancing writing abilities

On 10th May 2023, Centre for Social Change(CSC) organised Essay Writing competition in Hindi. Competing in an essay writing contest means thinking big and challenging oneself while writing. Approx 40 students participated in the competition. Ritesh and Nishita were winners in evening students while Love was winner in morning out of school students.

National Mathematics Day

National Mathematics Day 2023 is observed on 22nd December. Since 2012, National Mathematics Day has been celebrated with numerous educational events held at schools and universities throughout the country. The renowned mathematician Srinivasan Ramanujan, whose works had a widespread impact both in India and around the world, is the driving force behind the establishment of Mathematics Day in that country. amanujan was born in 1887 to an R Iyengar

Brahmin family in Erode, Tamil Nadu. Despite having little formal schooling, he mastered trigonometry at the age of 12 and created a number of his own theorems. In 1914, Ramanujan travelled to Britain, where Hardy helped him enrolled in Trinity College, Cambridge. In 1918, he also became a Fellow of the Royal Society, one of the youngest individuals to hold this prestigious status. In the remembrance of Srinivasan Ramanujan, we at Centre for Social Change (CSC) celebrated this auspicious day with the students, conducted many mathematics game in the class which children's enjoyed thoroughly and after all these activities we have shown one short movie based on the life of great mathematician Srinivasan Ramanujan.

Annual Sports Day Celebration

On 20th January 2024, CSC organised Sports Day Competition. The event took place in the spacious park near our centre. It was attended by two special guests Mr. X and Miss. Y, who thoroughly enjoyed the day with students. The Event started at 2 PM with around 90 students participated in it. The students competed against each other in sports events like Frog Race, Spoon Race for young students and 100 metres race, 800 meters race, Kho-Kho and Kabaddi for rest of the students. Race, Kabaddi and Kho-Kho organised separately for boys and girls. Apart from students, non participants and onlookers crowd in the park also cheered the participating students. CSC made arrangements for refreshments such as Frooti, Gur Chana and muffali has distributed among all the student.

Digital Literacy & Learning Strengthening Activities

National Science Day (NSD) is an annual celebration observed on 28 February to honour the discovery of the 'Raman Effect'. The Government of India officially designated this date as National Science Day in 1986. The theme for the National Science Day 2024 was "Indigenous Technologies for Viksit Bharat". Students presented following four projects through power point presentation as well as in online mode:

Project 1- Types of Cyclones (Laxmi, Jyoti, Chanchal)

Project 2- Our Universe (Kumkum, Laxmi, Kiran, Ritika)

Project 3- Solar Car- fully functional with solar power (Rishi, Rohit, Ritesh, Ganesh)

Project 4- Solar and Lunar Eclipse(Saliha, Riya)

**World Disabled Day : 8th
December**

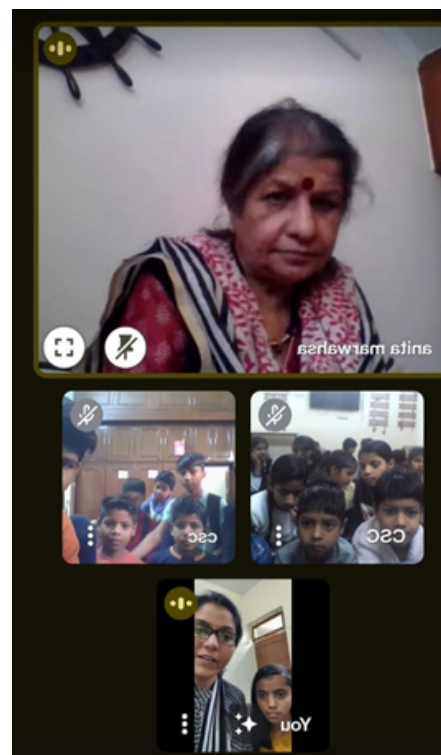

**National Mathematics
Day: 22nd December**

Online Storytelling with Anita Marwaha:

A series of storytelling sessions were organised with Mrs. Anita Marwaha through online mode. Mrs. Anita Marwaha, Professor in English- University of Delhi, authored moral value based children's story books in English and Hindi. These story books were distributed amongst children before starting storytelling sessions. Children were encouraged to read stories both in Hindi and then in English to enhance their understanding in both the languages.

During the session children were encouraged to speak about themselves and read the identified stories and comprehend it in their own words. These sessions were conducted for three months from February – April 2024.

Children felt more confident with their enhanced abilities of expressing their thoughts, improved communication through online mode and most of all the understanding of moral values through group activities.

National Science Day Celebration

National Science Day (NSD) is an annual celebration observed on 28 February to honour the discovery of the 'Raman Effect'. The Government of India officially designated this date as National Science Day in 1986. The theme for "National Science Day 2024" is "Indigenous Technologies for Viksit Bharat"

Project 1- Types of Cyclones (Laxmi, Jyoti, Chanchal)

Project 2- Our Universe (Kumkum, Laxmi, Kiran, Ritika)

Project 3-Solar Car(Rishi, Rohit, Ritesh, Ganesh)

Project 4- Solar and Lunar Eclipse(Saliha, Riya)

All students presented their project with Power Point Presentation). All projects were presented with Science Models. Project 3, Solar Car was fully functional recharge with Solar power. Online Zoom meeting was presented in front of Director Dr Bani Bora. All Students of CSC was present to see the explanation of the project, it was great learning for the students.

Four student's teams participated in the Science Presentation Project. Project has been made at the CSC centre.

Ignited Minds : 21st Century Skills

Developing 21st century skill competencies for marginalized children and contributing towards the positive changes in their lives are the mottos of WECARE@NEXTROVE through the following activities:

- Introducing foundational literacy and numeracy amongst children and getting them used to the culture of learning to read and write.
- With the enhanced reading writing abilities amongst children, CSC focuses on improving it to the age appropriate learning to facilitate admission in formal schooling system.
- Facilitate to develop and enhance 21st century skills, such as thinking skills, social skills and self management skills. Basic computer learning, digital literacy-such as using of laptop for online sessions, safe internet use, art and craft work, etc.
- Various competitions were organised amongst children to help children learning to complete a task within a given time and give their best during that time period.

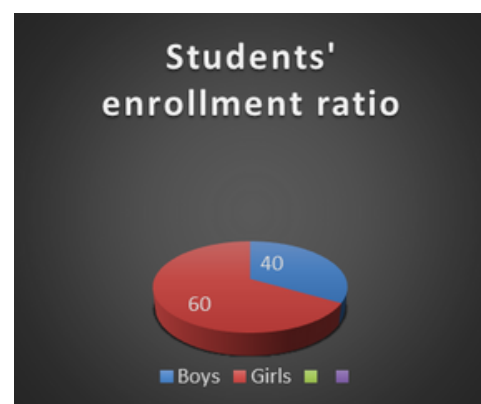

A total of 60 students were enrolled so far under basic computer course, alongwith sessions on digital literacy, that is the ability to use technology to find, evaluate, and communicate information as well as using technology responsibly.

Students enrollment

Basic Computer Course : Duration 12 weeks

Participation In Drawing Competition

An inter school drawing competition organised by Society for sports and cultural advancement on the occasion of “World Disabled Day” on 8th December 2023 at NOIDA stadium. Approximately around 70 schools and organizations participated in the competition which consist around 300 students. From our Centre for Social Change (CSC), 9 students participated, from pre-primary section, Veer, Raaj, Chanda, from Primary section, Kush, Chandani, Aman and from Middle section Ritik, Mayank, Tarana participated. It was a very exuberating experience for students and as well as for teachers, its reminds us about drawing competition in movie **Taare Zameen Par**. It lasted around four hours, all winning participants were excellent in their work. Organising society provided refreshment to students after competition.

Expression through art

On 1st April 2023, CSC organised Drawing Competition. Approx 50 students participated in it. Drawing Competition is something where student can think out of boundary and can express themselves freely. Students learn to develop out of our of boundary thinking that enhance their cognitive learning skills. Mayank won the Competition

Dance Performance in Festival Celebration

On 15th April 2023, Four girls from CSC named Aariya, Nishita, Kusum, Anjali participated in Beehu celebration at Noida Haat. Miss Minakshi was our dance teacher for this event. She is a marvellous teacher.

Our students performed Guru Vandana in the Event. All were facilitated with certificates in the end of the event. Event was very efficiently organised .

Youth Day Celebration

On 12th January 2024, CSC celebrated National Youth Day. It is also known as Rashtriya Yuva Diwas. The day honor's the birth anniversary of Swami Vivekananda, a philosopher and spiritual leader. The theme for 2024 is “Arise, Awake, and Realise the Power You Hold”. The day is dedicated to inspiring young minds, promoting education, and encouraging community service. Our students Nishita, Sakshi, Ganesh, Sofiya, Palak, Ritesh and Divya presented speech about life of Swami Vivekanada and his teachings. All other students actively listening all the speeches.

Ramayan Quiz

On 22nd January, 2024 CSC organised Ramayan quiz on the occasion of “inauguration of Rama’s Temple in Ayodhya” by Honorable Prime Minister Sh. Narendra Modi. As there were atmosphere of festivity all around in Barola, , many Bhandara’s (community kitchen) was organised on this occasion. All students divided into two groups, one is from class 3rd to 5th and another 6th to 8th. Teachers asked 20 set of questions to each group. This quiz ended without any winners, as all questions answered right by most of the students. We were delighted to know about the students knowledge about Lord Rama.

CSC Partnership : CORPORATE SOCIAL RESPONSIBILITY

WECARE@NEXTROVE started its journey of corporate social responsibility with the Centre for Social Change -CSC India from **10th October, 2023** at Barola, Noida in the august presence of **Christopher Flood**, Executive Director, Safety Operations-Global Pharmacovigilance at Erasca Inc., San Diego, USA, **Anjani Jha**, President & CEO, NEXTROVE, New Jersey, USA, **Pankaj Gautam** and **Shubham Mittal**, Vice Presidents NEXTROVE along with the NEXTROVE team members.

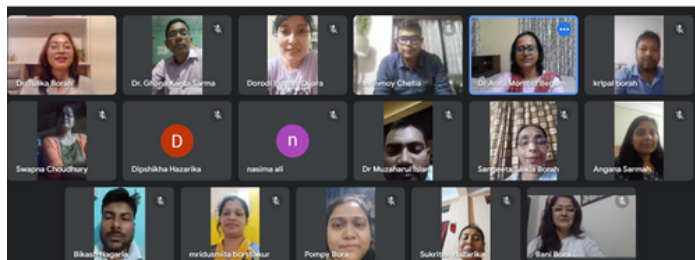

Developing 21st century skill competencies for marginalized children and contributing towards the positive changes in their lives are the mottos of **WECARE@NEXTROVE**.

NEXTROVE is a global professional services firm focused exclusively on serving Pharmaceutical and Biotech organizations, which launched its social responsibility platform with the Centre for Social Change, CSC-India, a community-based organization in Noida, founded by Dr. Bani Bora. At CSC-India, need based actions are taken in the field of education, skill enhancement and empowerment of marginalized/migrated communities to make changes sustainable through people’s participation. Capacity building programmes for youth from all over India is also one of the important areas of community intervention of CSC .

Certificate in Counselling Skills:

Directorate of Extension Education, Assam Agricultural University collaborated to custom design the certificate course in counselling course as per the requirements of subject matter specialists of Krishi Vigyan Kendra. Accordingly new components were added to the curriculum, where 20 participants actively participated in the course.

Maa-ki-Pathshala: Door to door survey (19th January-23rd January)

From 19th January to 23rd January, CSC conducted survey in Barola covering 160 family area in Gali no 15,16,17,18. During survey we interacted with approx 50 women, most of them is working as Maids in the nearby society. 60% of them is non literate. Many have shown interest in our stitching course and few of them also want to study.

One women who want to study shared that she was not able to study because there was no school in their village and parents didn't allowed her to go to nearly village for study. Also interacted with approx 40 out of school students, 15 of them got admission with CSC and . rest children's have responsibility of their siblings One girl Radha who is 9 year old is unable to go to school because having responsibility of four younger siblings, one is 4 month old.

Main reason of children's being out of school-

- Migration
- Younger sibling responsibility
- Lack of awareness of parents on importance of education
- Economic condition

To reach out to parents, specially mothers CSC took help of their children and motivated them to assist CSC to help their mothers become literate. On 25th February, 2024 , module 1, in Hindi were distributed to 23 students to facilitate their mothers' learning at home.

Emotional Well-being Workshop

On 18th and 19th February, 2024, CSC organised 2 days emotional wellbeing workshop conducted by Ms. Shabnam Yadav. It was attended by CSC teachers, student's mothers and girls from stitching course. There were total 16 participants in this workshop. Major components of the workshop were learning relaxation through breathing techniques, guided meditation, importance of helping others and forgiveness, learning self work and self love. All the participants thoroughly enjoyed and learnt through active participation in the workshop.

III. Swabalamby Hum: Economic empowerment

Rakhi Making Competition

On 29th August 2023, CSC organised Rakhi making competition on the occasion of Raksha Bandhan. Total 9 girls those learning stitching participated. It enhanced their aesthetic sense and creativity, culture and traditions. A sense of pride was also instilled in them. All other students at Center those were observing competitors making Rakhi were thoroughly enjoyed this event. After displaying rakhi's we ask all the students to decide about the winner, this activity increases their decision making ability as team because decision has to be taken by consensus.

Mehandi art training

On 23rd January, CSC organised Mehendi Competition among all the girls who learnt Mehendi art from CSC. Total 8 girls participated in it. Main Criteria for the competition:

- 1) Mehendi design should be unique and creative.
- 2) Mehendi design must cover one hand.
- 3) Participants can apply mehendi on their own hand or any other person's hand.
- 4) Time Limit was one hour.

Certificates was awarded to the winners.

IV. Action research

Body Mass Index of CSC- Children were calculated in August 2023. Brief data of each centre were as follows

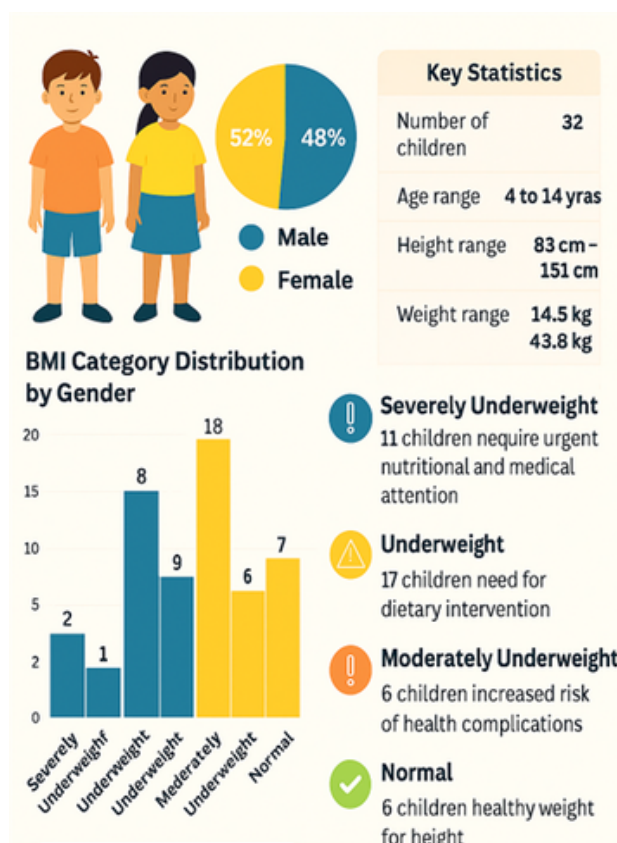

BMI Category Summary (Out of 74 Morning out-of school children)

BMI Category	Number of Children	Percentage (%)
Underweight	20	27
Normal Weight	28	38
Moderately Underweight	18	24
Slightly Underweight	8	11
Severely Underweight	0	0
Overweight	0	0

BMI Category Summary (Out of 97 Evening after school Children)

BMI Category	Number of Children	Percentage (%)
Underweight	36	37.1
Normal Weight	21	21.6
Moderately Underweight	20	20.6
Slightly Underweight	18	18.6
Severely Underweight	5	5.2
Overweight	1	1

Sector 76 Slum, CSC centre

Gender Insights:

- **Girls** made up a higher proportion of children in the “**Underweight**” and “**Slightly Underweight**” categories.
- **Boys** were more represented in the “**Moderately Underweight**” and “**Normal Weight**” categories.
- **Normal BMI distribution** was somewhat better among **males**, suggesting slight nutritional gaps affecting female participants.

BMI Category Breakdown

Normal Weight:

The largest category, representing **over one-third of the children**. These children fall within the healthy BMI range for their age, indicating balanced nutrition and growth.

Moderately Underweight:

- A significant portion of the children fall into this category. While not acutely undernourished, they are at risk of falling into more severe nutritional deficiency if not addressed.

Underweight:

- Many children are categorized as underweight, indicating possible chronic nutritional issues such as insufficient calorie or protein intake.

Slightly Underweight:

- A smaller group shows only mild deviations from the healthy range. With minor dietary improvements, these children could reach normal BMI levels.

Age Trends (General Observations):

- Children aged **7 to 10** showed the **widest spread of BMI categories**, indicating variability during mid-childhood growth spurts.
- Ages **12–13** had several cases of “Slightly Underweight,” suggesting the need for continued nutritional support during adolescence.

Conclusion & Recommendations:

- While a healthy proportion of the children are within the normal weight range, **more than 60% are below optimal BMI levels**, highlighting the need for **nutritional interventions**.
- Proposed actions:
 - o **Regular health screenings** and BMI tracking.
 - o **Nutrition education** for families and caregivers.
 - o Inclusion of **supplementary meals** through school or community centres.
 - o Gender-sensitive interventions ensuring **girls receive equal nutritional support**.

V. Volunteering and internship

Internship Program

CSC provided 3 months internship program to 5 Delhi University students. Students prepared social profile of the community and engaged children in a productive way through different teaching learning materials and activities. During the internship, students assisted CSC teachers as well as interacted with the community, specially mothers to understand their need and expectations from CSC. Workshops on health and hygiene, nutrition in home cooked food and importance of literacy and education were the three important messages they tried to convey to the community, specially mothers during the internship.

IV. Festivities, Celebration and Collaborations

Sapno ki Uddan: Mera Bharat Mahan

To provide a platform to perform cultural aspects of their learning CSC organized a cultural event at the [Civil Service Officers Institute, CSOI, Chanakyapuri](#) on [17th June, 2023](#) from [6.30-8.00 PM](#).

General Manager, CSOI, Captain Shiv Kumar Goel welcomed the members, all the children and guests of Centre for Social Change and its Founder Director, Dr. Bani Bora on a very encouraging note. Captain Goel then led the distinguished guests to light the lamp and inaugurate the event formally.

The cultural program started with Guru Vandana by depicting Mati Akhora of Sattriya Dance form of Assam. It was followed by stream of folk dances from Kashmir, Punjab, Rajasthan, Uttar Pradesh, Madhya Pradesh, Maharashtra, Gujarat, Andhra Pradesh, Odisha, Kerala, Bihar, West Bengal, Assam and then ended with the patriotic display to the tune of **Desh Rangila**.

- A brief documentary on CSC's five years journey, audio-visual display of best wishes messages and success stories of girl students from the first batches were presented.

The programme was well appreciated by the audience:

Thanks for inviting. It was pleasure to attend the event and super awesome program. The complete CSC team, organizers and kids deserve kudos. Keep Shining & inspiring.
Major Rajneesh Dhar
CSOI, New Delhi
17.06.2023

Output:

- CSC Children got an opportunity to perform in an auditorium which helped boosting their confidence, and identifying hidden talents.
- Children learnt to appreciate cultural diversity, alongwith cultural awareness about another state in the community as a whole and thereby promoting national integration.

Volunteers of CSC

Smiles on their faces,
Pride in achievement of others
Evening of displaying talent,
Opportunity for showing gratitude.
Giving time and energy,
Understanding own potentials.
Building an organization,
Helping explore new avenues.
Blessed are Volunteers,
Change makers through CSC
Dr. Mridula Seth
June 17, 2023

Event which inspired a poetry.

Birthday Celebration

On 28th June 2023, CSC celebrated birthday Veer.

Clothes Distribution

On 11th August, 2023 clothes were distributed by Ms Karuna Bhalla along with two other friends at CSC centre. Total 50 suits were distributed among 45 students and teachers. All student were very happy after receiving new clothes as a gift. All donor guests motivated children's to continue their studies and wish them for better future.

Miss Teen Universe Visit to CSC

On 3rd July 2023, Miss Teen USA 2023 Ms. Faron Medhi visited CSC at Sctor 76. She interacted with our students and encouraged them to do good in life and ask all the students to dream big in life. According to her, whatever we dream and work hard for it will always gives fruits to us. All students were happy and enjoyed interaction. She clicked photo with all the students.

Teachers Day Celebration

CSC celebrated Teachers Day 5th September 2023. There was a dinner party for all the teachers organised by CSC's Director Dr Bani Bora at Spectrum Mall, Noida. It was great time spent together by all the teachers.

Vishvakarma Pooja

On 17th September 2023, CSC celebrated Vishvakarma Jayanti. This day is celebrated as Hindu observance dedicated to Vishvakarma, the architect of the gods. A Pooja was being organised at the center including all the teachers and students. As on this day all metal instruments being worshiped to pay respect to Lord Vishvakarma, pooja was performed and Prasad was distributed to all the students.

Diwali Celebration

On 10th November 2023, CSC celebrated Diwali with all the students and teachers. Gift was distributed among all the teachers. Beautiful Diya's was decorated by students. Pooja was performed along with all the students. Prasad was distributed to all the students. All the teachers and students enjoyed Diwali Celebration.

Christmas Day Celebration

On 25th December 2023, Christmas was celebrated at CSC. Every year we celebrate this day with great enthusiasm. Christmas is celebrated to remember the birth of Jesus Christ, who Christians believe is the Son of God. One Guest Mr X came with cup cakes and samosa, distributed among all the students. Students enjoyed having refreshment.

Makar Sankranti/ Pongal Celebration

On 14th January, 2024, CSC celebrated Makar Sankranti. This day is a marker for a change of season-warmer months are close and we are moving away from winter, which is seen as a period of inactivity in many ways. It is said that the northward journey of the sun (Uttarayan) begins on this day. Doctor Suchita volunteered to pay for muffali and gur as a Makar Sankranti prasaad and students enjoyed it.

Proud of our students who successfully completed their Class X, Class XII, UP Board. Thank you each of our contributors for providing opportunities to the students to learn and grow. Thank you team CSC for your dedication and commitment.

Basant Panchami Celebration

Dedicated to Goddess Saraswati, Basant Panchami marks the arrival of the Spring season in India. Saraswati is the Goddess of knowledge, music, learning and arts. It is believed that without her blessings, the world would be shrouded in ignorance, as she represents enlightenment.

On 14th February 2024, CSC organized Saraswati Pujan for students, most of the students and teachers were dressed in yellow-colored attires. The celebration commenced with the rendition of Saraswati Vandana by all the students together. All students performed Pooja ceremony starting with our Director Dr Bani Bora. The ambience was full of devotion and celebration. Thereafter, students were informed regarding the significance of celebrating the festival. Mrs. Nisha Mathur was special guest on the occasion, she brought many toys as a gift for student.

The winner students of Sports Day held on 20th January, 2024 was facilitated with certificates among 47 students in total 6 categories including 100m race, Frog race, Kho-Kho, Kabaddi etc. The certificates facilitated by Dr Bani Bora, Mrs. Nisha Mathur and two volunteers.

Total Eight certificates distributed for Complete the Cutting and tailoring Course among Rekha, Sunita, Rajmati etc. and Five certificates distributed for Beauty and Parlor Course among Minakshi, Priyanshi

CSC Founder, Dr.Bani Bora conducted a day long ICSSR sponsored workshop on 23rd February,2024 and deliberated interactive sessions with 40 faculties and research scholars from UP, Haryana, Delhi and MP at Dr Harisingh Gour Vishwavidyalaya, Sagar, Madhya Pradesh on Hands on learning and Adaptive Assessment, showcasing the best practices.

Holi Celebration

On 22nd March 2024, CSC celebrated Holi with all students and teachers. The Holi festival has a cultural significance among various Hindu traditions of the Indian subcontinent. It is the festive day to end and rid oneself of past errors and end conflict with others. People pay or

forgive debts, as well as deal anew with those in their lives. Students were shown a short story about Holika puja and celebration of holi on TV. On this day few volunteers named Deepshikha, Naman, Rashmi and their children's came with Holi food(halwa, puri, sabji) and Holi gifts for all the students such as pichkaari, colours and water balloons. Volunteers themselves served food to all 45 present students. All the morning batch out of school students very excited after receiving gift and shown gratitude to the visitors. All teachers and students play with herbal colors in an atmosphere of festivity around.

Sixth Foundation day

A journey of six years started with few children at Rajni park, Barola, and then it went up to hundreds of children and their families over the years. Let's join hands to give equal learning opportunities to every child aged six years and above in our neighbourhood.

The day was celebrated by conducting a seminar on "Social Convergence and Inclusive Basic Education", followed by cultural presentation by CSC Children. Sh.Rahul Pawar, BSA-Gautam Buddha Nagar was the Chief Guest on the occasion. Director, Prof. Mukul Gupta and Dean, Dr.Deepa Gupta and student volunteers at GLBIM hosted the event with personal care and gracious hospitality. Eminent speakers and dignitaries gave their valuable inputs during the discussion.
